

Meet the Experts

Learn about colon cancer prevention and new treatments from leading multi-disciplinary specialists at Jefferson.

Walk through the SUPER COLON, a 20-foot long replica of the human colon, and view:

- healthy colon tissue
- tissue with non-malignant colorectal disease like Crohns and Colitis
- various stages of colorectal cancer

Thursday, February 28, 2008

Reception and experience the SUPER COLON, 4:30-5:30 pm

Lecture and Q & A, 5:30 to 7:00 pm
