Patient Testing Center 925 Chestnut Street, 4th floor

Enter the Gibbon Building through the Valet Parking entrance, or if using the self-park facility, enter via the connecting footbridge. Proceed to the elevators up to the 9th floor to Suite 9410, unless otherwise directed by the central scheduling office. Please limit yourself to 2 visitors before your procedure. Children under 13 years of age may not visit patient floors. Please see reverse side for more important information regarding your visit.

Parking Guide

As noted, valet parking is available at the 10th Street Emergency Department entrance and 11th Street entrance of the Gibbon Building.

If you do not wish to use Jefferson Valet Parking Service, there is a self-park facility on 10th Street between Chestnut and Sansom. The Gibbon Building is connected to this garage by an enclosed pedestrian bridge. Access to the hospital via this bridge is available 24 hours a day. Valet parking is also available at the entrance to this garage.
